

Truckee Officer Nabs Suspect In Border Slaying

Hitchhiker Taken to Sierra
To Stand Trial After
Renoan Killed

Because he refused a 61-year-old hitchhiker a ride in his new station wagon, Lee A. Madsen, 64, prominent Reno businessman and sportsman, was shot to death 250 feet inside the California-Nevada state line last Thursday evening.

The accused slayer, Will Wheat, an itinerant who gave his address at Berkeley, was taken from a west-bound bus two hours later by Constable N. F. Dolley of Truckee and Deputy Sheriff Lyman Eddy of Reno. The murder weapon, an ancient .38 calibre, Spanish type revolver, and a knife with a four-inch blade, were found in Wheat's possession.

Details pieced together by arresting officers and investigators resulted in the following story:

Ousted by Nevada
Wheat, who had been accused of molesting motorists in Reno, was escorted to the California border by police from the adjoining state Thursday afternoon. There he encountered Madsen, who was on a fishing trip by himself.

Madsen's statement to Captain Gordon Fairchild of the Nevada Highway Patrol before he expired was to the effect that Wheat pulled the gun, after he refused him a ride to Sacramento, and shot him through the abdomen.

Wrecks Car

Madsen, fatally wounded, entered his car, turned it around and started east. He reached a point west of the Last Chance service station when he lost consciousness and the vehicle struck a culvert and was wrecked. The Nevada patrol and ambulance were called and Madsen was pronounced dead upon arrival at a Reno hospital.

In the meantime, Wheat secured a ride to Hirschdale. There he boarded the Greyhound bus, got off at Truckee to purchase a ticket and continued west. The Nevada officers alerted the local police and Dolley speeded west in pursuit of the bus. Deputy Eddy, in his own car and Dolley caught the bus as it approached the Donner Summit. With gun drawn, Dolley entered the filled bus and, unimpressed of his danger, took the man off. By that time, Patrolmen Carroll Maynard and Martin Sturcke of the California Highway Patrol, and officers from Nevada arrived on the scene. Being alone in his car, Dolley asked the officers to take charge of the prisoner and meet him at the Truckee jail.

Back to Reno

Instead of going to the jail, the officers took Wheat before Justice of the Peace F. W. Wilson, explained the story and then drove on east to the scene of the crime. There Wheat admitted the shooting, the officers said, but said he did so in self defense, charging that Madsen struck and kicked him.

The posse, with Wheat in custody, proceeded on to Reno, where the prisoner was questioned by the district attorney and officers of that city. He was later returned to Truckee at 2 a.m. Monday and held for Sierra County officers from Roundville, the crime having been committed in the narrow section of that county near the state line.

Murder charges are pending as officers of Nevada and Sierra County continue their investigation.

Wheat told the officers he had previously been in a mental institution.

Mother Of Truckee Man Dies In South

J. R. Stuart received word late Friday night that his mother, Mrs. D. W. Stuart, had passed away in her home in Wakita, Okla. She would have observed her 81st birthday on June 17. Survivors include three sons, eight grandchildren, 15 great grandchildren, and a niece who was orphaned in infancy; also two brothers and one sister.

Eastern Star To Hold Last Season Meeting

Truckee Chapter, No. 116, Order of the Eastern Star, will hold the last meeting of the lodge on Tuesday, June 21, recessing at that time for the summer. All members and visitors from other chapters are invited to attend. Mrs. Cliff Ellis is chairman of the evening's program.

Officers will go to Dutch Flat Saturday evening to attend the reception to be held there in honor of Beatrice Edwards, grand deputy matron.

At Wedding—
Mrs. Ray Hintz and children are at Lewiston, Ida., where she will be matron of honor at the wedding of her sister on Saturday.

Support Of Cancer Drive Is Urged By Truckee Chairman

John Finnegan, Truckee district chairman for the cancer fund drive, this week called attention to the urgent need for funds and asked full cooperation from local residents in the current campaign.

Letters are being sent out to people of the area, pointing out the necessity of the drive and asking them to return their contributions to the local committee, in care of Bank of America.

"Truckee and this region has always responded most generously in cases where needs are great and we sincerely trust that the current drive will not prove an exception," Finnegan declared. "We are late getting the drive under way and hope to complete it in the near future. Your response will be greatly appreciated."

Baseball Contest Here On Sunday

Truckee baseball fans are looking forward to Sunday at 2 p.m. when the first baseball game of the season will see the Truckee Athletic Club's hardball team in action on the local diamond against the Richardson-Lovelock nine of Reno.

On June 26th, the local team, playing independent ball this year, will play the Sierra Sport Shop of Reno and on July 3rd, a game has been scheduled with the Knight of Pythias from Reno. The local club has some fast youngsters out for practice this week and a good contest is in prospect for Sunday afternoon.

FOUR ARE INJURED IN LOCAL ACCIDENT

Four young Truckee men were injured Sunday morning at 2 o'clock when a car driven by Gerald Quam, 18, got out of control, skidded 230 feet on the wrong side of the highway and overturned at least twice in the pasture adjoining the James McIver home in West Truckee.

Quam, the most seriously injured of the four, is in the Tahoe Forest Hospital with back injuries. The other three, Michael Williams, 18, Andrew Garcia, 24, and Thomas Grow, 19, were treated for minor injuries and released.

State Patrolman Carroll Maynard and Martin Sturcke made the investigation and cited the driver for speeding, being on the wrong side of the highway, not having his vehicle under control and for having faulty brakes.

Four Generations On Motor Trip To Idaho

Mrs. Edith Johnson, Mr. and Mrs. Leslie Grow, Mr. and Mrs. Wayne Raney, Mr. and Mrs. Bruce Grow and four children went as a family group composed of four generations to visit at Parma, Ida., last weekend. The party left Truckee on Thursday, the wedding anniversary of Mr. and Mrs. Leslie Grow, returning early Monday.

Strawberry Festival Is Planned By Lake Church

KINGS BEACH—There will be a strawberry festival in the Community Methodist Church at Kings Beach, Sunday, between 7 to 8:30 p.m., June 26, sponsored by Naomi Circle, W.S.C.S. A small charge will be made for adults and there will also be a special price for a child's plate.

Wyethia Meeting Will Feature Local Musician

The Wyethia Club will meet at 8 p.m. on June 17, in the edifice at which Mrs. Charles Heller will preside.

Chas Cozzi will be heard in accordion selections during the evening's program and hostesses during the refreshment hour will be Mesdames Ray McCarty, Ben King, William Englehart.

In Reno—
Mr. and Mrs. R. Donnis and children have left Donner Lake for Reno where he is employed.

Former Summit Pair Sentenced To East Prison

Wife Given Light Sentence
After Fact Offered
At Trial

Clyde and Ruth Roberts McElvain, arrested April 1 in Soda Springs, are under sentence to prison for the \$77,270 embezzlement of the Bank of Greensboro, N. C., a press dispatch from there reports. The couple were known as William and Patricia Ryan in Soda Springs.

McElvain was sentenced to six years in prison and his wife to four years.

Judge Wilson Warlick commented during court proceedings Mrs. McElvain, a former teller in the bank, appeared to have been used by her husband and by Leonard C. Sykes, Jr., also convicted in the federal court.

Sykes, charged with aiding Mrs. McElvain with converting bank funds to her own use and with hindering her apprehension by withholding information, received a five year prison sentence.

Both Mr. and Mrs. McElvain pleaded guilty to the charges and became government witnesses in Sykes' trial.

The McElvains testified Sykes placed bets for them when they were attempting to recover Mrs. McElvain's shortage at the bank.

The shortage was discovered June 7, 1954, and a 10 month search by the Federal Bureau of Investigation ensued.

An FBI agent testified approximately \$24,000 will be recovered by the firm insuring the local bank.

He said the McElvains had released all their assets, including a house they purchased in Soda Springs, a 1955 automobile, money they had loaned and money in checking and savings accounts.

TWO WOMEN HURT IN TAHOE CRASH

Two women were hurt at 7:30 p.m. Tuesday when cars driven by John Homer Oddy, 55, Walnut Creek, and Mrs. Dorothy Marie Martin, Kings Beach, collided at Tahoe Vista.

Treated by Dr. Allan Sklar for serious injuries were Carolyn Martin, 62, Kings Beach and Adeline Serretta, 68, San Mateo, both occupants of the Martin car.

Oddy was cited by State Patrolman T. F. Sheehan for being on the wrong side of the road and speeding. The two vehicles collided headon.

Annual Picnic Held At Donner By Girl Scouts

The annual picnic of Girl Scouts and Brownie Troops 1 and 2 was held on Monday at Donner Lake which included swimming and hiking in the vicinity. Mothers of the members and leaders, Mrs. Fred Pedley and Mrs. Jack Ellis accompanied the troops.

Bruce Leamon Feted On His Fourth Birthday

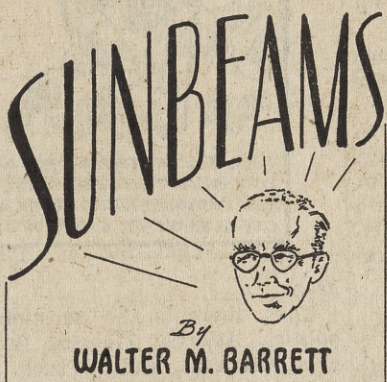

Richard Bruce Leamon, who was four years old on June 15 was the incentive for a family party at the home of his parents, Mr. and Mrs. Robert Leamon. Opening of gifts by the young honoree was followed by serving dessert. Homer Allen of Woodburn, Ore., was an out of state guest.

Birthdates Are Shared By Two At Dinner

Ned Stuart and his nephew, Mike Dempsey, shared cake-cutting honors at a family birthday dinner at the Stuart home on Sunday evening. Ned's natal date is June 9 and Mike's, June 11.

HEADS LODGE

Miss Maryland Saunders, daughter of Mr. and Mrs. O. H. Saunders, Sparks, former Truckee residents, was recently elected president of the Order of Rainbow for Girls, an organization embracing more than 200 members. Miss Saunders graduates next year from the Sparks high school.

One of the ways in which the best intended bills can get fouled up by our state lawmakers was pretty well demonstrated in SB 1729, authored by Senator Johnson of Roseville and designed simply for the purpose of erecting a museum at Donner Memorial State Park, to cost a paltry \$125,000. The bill lay dormant in committees for some time, long after the deadline for the introduction of new measures to be considered at the session. Then it was dug up as a basis on which to hang a few amendments, and wound up with a favorable vote, just about as far from its original intent as it could possibly get. In the final minutes of the session, with hope dimming in this area that it would pass because of its comparative insignificance in the harried legislature, it became one of the most important money measures of the session. Hard as it is to believe, amendments were attached calling for a total of \$15,620,000 to provide for the purchase of beach lands in southern California, to buy new parks here and there and to improve already existing parks and beaches. The senators readily admitted it was a vote-trading "pork barrel" deal. In the shuffle, the little museum for Donner was omitted, with the author's consent. If that makes sense, we'll have to be shown. Sponsors of the original bill who supported it throughout the session, were never given an opportunity to be heard on the final conclusion. Now there is a good possibility the governor will veto the final measure and we can't find it in our heart to hope otherwise.

**Travel Gains As
Truckee Jumps
To Second Place**

Traffic Still Below Figure
For Last Year, Report
By State Shows

Truckee jumped into second place as a port of entry into California when officials at the department of agriculture's quarantine station here checked 41,952 cars, 1683 trucks and 598 buses, with 141,734 passengers during the month of May.

This was an increase of more than 15,000 cars over those checked during April, it is nearly 1000 less than during May, 1954, the report shows.

Truck traffic was down about 100 per cent, due to the trucking strike which affected most of the major concerns.

The only station exceeding Truckee last month in the number of cars entering California was Yermo in southern California.

Meyers on Highway 50 at Lake Tahoe reported 12,336 cars, 284 trucks and 11 buses during May, an increase of 5000 cars over the preceding month and but a drop of approximately 500 as compared to May, 1954.

SACRAMENTO (CNS)—The state bureau of plant quarantine today reported that 322,817 automobiles entered California during May, an increase of 31,786 over the same month last year.

The bureau also reported an increase in the number of highway passengers, from 856,226 in May of last year to 924,197.

According to the bureau, the number of trucks declined from 25,204 to 23,271.

Out-of-state cars totaled 140,653, compared with 122,723 for May, 1954.

Yermo was the busiest point of entry with 65,800 cars tallied, Truckee was second, tallying 41,952.

SARGE REYNOLDS OPENS CAR LOT; HAS CHEVROLETS

B. W. (Sarge) Reynolds this week received his certification from the State Department of Motor Vehicles as a car dealer, and at the same time the Drinnon Chevrolet of Colfax announced the appointment of the Truckee man as their representative in this region.

Sarge has opened his used car lot adjoining the Gateway Garage and his opening advertisement on another page of the Sierra Sun today discloses some of his first offerings in used cars. His firm name is Reynolds Motors.

Although he has been operating on a limited scale for the past few weeks, it was only last week that Reynolds obtained his authorization as a dealer and the appointment to represent the Drinnon Chevrolet with new cars. In the later category, Reynolds is showing the new Turbo-Fire V8's and the two new Blue-Flame 6's. He reports several sales in both new and used cars.

Members Of Truckee Scout Troop Feted

Carol Ann Quilici, Janet Allen, Shirley Taylor and Dorothea Frey, members of Girl Scout Troop No. 2, who graduated from the eighth grade in the elementary school, were feted at a dinner and floor show following the exercises held Thursday. They were accompanied to Reno by Mesdames Nat Quilici, Fred Pedley, Jack Taylor, Lawrence Frey.

Visitors for Mahnes—
Weekend guests at the A. Mahne home were: Mr. and Mrs. John Clark, Jr., Miss Marie Marders, Miss Muriel Livingston, Stanley Serpa and Al Dubysck, all of Sacramento.

Leaving for San Jose—
Mr. and Mrs. Douglas Wilson will leave tomorrow for San Jose where he has accepted a position of teaching in the local school. At present the Wilsons have taken a house located at 1624 The Alameda and plan to return here at intervals to enjoy the winter sports.

To Long Beach—
Mr. and Mrs. August Benjamin left this week for Long Beach where they will visit their son and daughter-in-law, Mr. and Mrs. Kenneth Benjamin.

Pork Barrel Park Bill Veto Likely Report Indicates

There is a reasonable possibility that Gov. Goodwin J. Knight will veto some \$20,000,000 in state park commission projects approved by the 1955 legislature.

Among the projects expected to come under close scrutiny by the governor is SB 1729 which was presented by Senator Harold Johnson of Roseville to establish a \$125,000 museum at Donner State Memorial Park. The bill was sabotaged politically and passed with amendments providing for an expenditure of \$15,620,000 for state-wide beaches and parks projects, but completely eliminating the paltry \$125,000 for the local museum.

Projects threatened by the gubernatorial blue pencil, according to Earl Behrens, political editor of the San Francisco Chronicle, include the proposed purchase of two ancient sailing vessels for the San Francisco Maritime Museum.

He can also veto the entire batch of bills which carry appropriations from money in the impounded tideland oil fund. One such bill is the \$1,000,000 item for the new roadside rest program.

However, of local interest, is the governor's study of the Johnson bill, which was designed for the Donner museum and which now provides for 18 projects extending from the purchase of beach lands in the Los Angeles region, costing over \$6,000,000, to a half-million dollar project at Coloma.

Governor Knight may reduce the total in this fouled-up bill in total or in part, striking out those items which he finds unnecessary and allowing those which he approves.

Regardless of his action, however, the Donner museum project has, temporarily at least, been given the legislative bounce.

Plans Progress For Jeep Outing

Cliff Ellis, who is heading the committee from the Truckee Outdoor Sportsmen preparing for the jeep excursion and overnight outing and free barbecue at White Rock on Saturday afternoon and Sunday, June 25 and 26, today called attention to the fact that the affair is not confined to members and their families but to everyone wishing to attend.

In event the road into White Rock is impassable for the trip, Rock Bound Lake has been selected as an alternate site, Ellis said.

Those wishing to participate, regardless of whether or not they have transportation, are urged to so designate by contacting either Ellis or Charles Osburn.

Flag Story Is Presented By Local Girl Scouts

Donner Troop of Girl Scouts enjoyed a play, "Betsy Ross and the Flag," written and directed by Stephanie Cozzi at their recent meeting.

Girls taking part in the play were Pat Freeman, Pam Freeman, Linda Giovannoni, Pamela Rose and Patsy Jensen.

The girls have finished their "sit-upons" which will be used on their hiking and camping trips. Plans were completed for a bicycle trip next Tuesday.

At the last meeting, Linda Giovannoni was presented with her year pine and two new members, Pamela Rose and Patsy Jensen were welcomed to the troop.

Reno Woman Dies At Donner Lake Home

RENO—Mrs. Jeanne R. Scott, wife of Robert J. Scott, died suddenly at her Donner Lake home Saturday.

Mr. Scott is a railroad engineer employed by the Southern Pacific Railroad.

Attended Graduation—
Mrs. Roy Waters spent a week in Marysville where she attended the graduation from high school of her daughter, Miss Kathryn Matson. Miss Matson plans to attend college this fall, preparing to become a school teacher.

Two Fliers Killed As Plane Falls North Of Boca

Witnesses Say Wing Fell
Off Plane 2000 Feet
Above Earth

Two Richmond Standard Oil Company officials were killed Sunday afternoon at 2:30 o'clock when their small cabin plane plummeted 2000 feet and crashed a mile and a half northeast of the upper end of Boca reservoir.

The victims were Ralph V. McLin, 39, Rodeo, owner of the plane, and George Louis Strong, Jr., 29, Richmond. Bodies of both men were so badly crushed that identification was made possible only through papers found in the clothing.

The plane was en route to the bay area after a trip to Mountain Home, Idaho.

Witness, who included a number of fishermen along the Little Truckee river witnessed the tragedy. Among the witnesses were Staff Sergeant Charles E. Jones of Stead Air Force Base at Reno and Ernest Perry of Sparks. Both told investigators the same story. Some believed the plane may have been hit by lightning.

Saw Plane Fall
They said they heard a crash, different from the noise made by a thunder storm at the time, and looked up. They saw one wing floating earthward independent of the plane, with the latter dropping straight down at a terrific speed. Jones immediately went to summons aid and a group from Truckee, including Forest Ranger Edward Grant, Constable N. F. Dolley, Coroner Alvah Hooper, Dr. Allan Sklar, Father Ronan Brennan, Highway Patrolmen Carroll Maynard and Martin Sturcke and Jack Ellis, rushed to the scene.

The plane was so badly demolished and only a portion of the tail structure and one wing were identifiable.

The bodies were taken to the Truckee Colonial Mortuary by Hooper and Dolley. Later they were shipped to the bay area for funeral services.

FIRE WIPES OUT LAKE TAHOE HOME

Nelson Stone of the U. S. Forest Service at Truckee, reported that the newly purchased Nquist house located at Carnelian Point, Lake Tahoe, was a complete loss when fire leveled the structure Tuesday.

The conflagration was prevented from spreading by the excellent work of the North Tahoe Fire Control, the Tahoe City Volunteer Fire Department and the U. S. Forest Service fire control unit and many helpful volunteers.

The house was recently purchased and was being remodeled for summer occupancy when the fire started. Stone said it is possible that faulty wiring was responsible.

Small Local Blaze
Mrs. Dorothy Morhain of Truckee reported a small fire at Dry Creek on Monday. The blaze had apparently been started by lightning. The fire was quickly extinguished with no material loss.

Sunshine Girls Meet, Prepare Camp Box

Donner Council No. 13, Pythian Sunshine Girls, met Wednesday evening with Nancy Kaspian, the royal princess, presiding.

Success of the recent food sale, supervised entirely by the girls, was reported with thanks to the Truckee Mercantile for the use of a window.

Donations were brought in for a box to be sent to the Pythian Youth Camp situated in Sequoia National Park. It is an annual project of the council.

There soon will be an initiation in the council, with the date to be announced later. The next meeting will be held Thursday, July 14th.

Sergeant Freeman Has Part In OCD Program

Sgt. Edward Freeman this week attended the Command Post exercises being held at Auburn by the Placer County Office of Civilian Defense. The exercises are expected to stimulate actual maneuvers planned in event of an attack or disaster. The local California Highway Patrol sergeant is detailed to handling traffic problems.

Sergeant Freeman was assigned to handle traffic in a fringe fallout area in this area. Truckee has been designated as one of the relief areas for evacuating possible bomb victims.

OUT OF SERVICE
Joseph (Peppy) Garcia, well known young Truckee man, was discharged from the army last Friday at Fort Lewis, Wash., and has returned home. Garcia said he spent most of his enlistment in the Pacific Northwest.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — Al-
though the state of California is
virtually crying for water conser-
vation, not only to take care of the
needs of the present, but also to
prepare for the future, the legis-
lature during the 1955 session, per-

mitted the relatively minor issue
of who should be the attorney for
a proposed state department of
water resources, to delay the con-
servation program.

Governor Goodwin J. Knight has
announced he is convinced that
the question of whether the pro-
posed water department should
have its own attorney, or whether
the attorney general of the state,
who is legally designated head of
all legal authority in California,
was the prime stumbling block
which caused breakdown of the
water department legislation.

The governor said that he would
have taken the water department
bill either way, whether Attorney
General Brown had been designat-
ed as attorney, or whether the
position were left open to selec-
tion of an attorney especially for
the water department.

Because this appears to be such
a minor issue, and one which the
people dedicated to water conser-
vation should have been able to
resolve as the result of conference,
it may be well to relate some of
the background which went into
causing this serious delay affect-
ing the entire conservation pro-

gram.
First, there is the question of
politics. Attorney General Brown
is a democrat, and as such, the
only top man of his party in the
state administration. He has been
discussed as a candidate for gov-
ernor, and also a possible democ-
ratic candidate next year against
U. S. Senator Thomas H. Kuchel.
Obviously, republicans do not wish
to give Brown any more stature
than he already has.

This, however, is not all the
story. Some time ago, Brown in-
tervened in the Ivanhoe Irrigation
case, which involved the question
of water for more than 120 acres
from federal reclamation projects,
for any one individual farm, and
for 320 acres for a man and wife.
Brown always has been an advo-
cate of upholding federal laws on
this subject.

Some California irrigationists
with large land holdings, were
anxious to see a change in this
reclamation policy, and resented
Brown throwing his weight in
with the board.

Now, there are about nine groups
lobbying on water problems in
Sacramento. The groups are not
all together on all subjects, but
were almost unanimous in their
demand that the new water de-
partment have its own attorney.
So, consequently, the bills propos-
ed to create such a department
were defeated at the 1955 session,
after five months of wrangling.

Brown himself took no part in
the matter, and when Governor
Knight called him to consult on
the measure, the attorney general

Duties Of Various Areas During Disaster Planned

A meeting to study the duties
of the different sections and how
they will do their work in time
of disaster is tentatively set by the
Nevada County Civil Defense Dis-
aster Council chiefs for Wednes-
day, June 29, John T. Trauner,
county CD coordinator, has an-
nounced.

Members of this committee,
which was named at a recent
meeting of the council, are as fol-
lows:

George Hutchins, Grass Valley
manager, Pacific Telephone and
Telegraph Company, communica-
tions; Charles J. Smith, county
road commissioner, engineering;
George Lowry, county welfare di-
rector, education and welfare;
Don Knowlton, chief ranger for
state forestry division, fire; Wayne
Brown, sheriff, law enforcement;
Dr. E. J. Best, retired U. S. Navy
captain, medical and health; Miss
Roberta Jackson, Nevada City
news editor, The Union, public in-
formation and education; Dr. Je-
rome Frey, Nevada City physician,
radiological; Clare F. Hughes,
county purchasing agent, supply;
Captain Joseph E. Blake, Califor-
nia Highway Patrol, traffic con-
trol; Melvin O. Johns, county su-
perintendent of school, training;
Adolph S. Verlod, superintendent,
Pacific Motor Transport Co., trans-
portation, and Donald Evans, man-
ager of Grass Valley Pacific Gas
and Electric Company, utilities.

Trauner said that the Truckee
area has been designated as a hold-
ing area for refugees from metro-
politan centers in case of attack
by a potential enemy and announ-
ced that current plans are now be-
ing formed for setting up a hold-
ing committee of Truckee persons
to coordinate plans from the east-
ern end of the county.

COST OF LIQUOR LICENSES BOOSTED

SACRAMENTO — (CNS) — Li-
quor licenses may cost more after
January 1, 1956.

If Governor Goodwin J. Knight
signs SB 1987, by Senator James
E. Busch, Mendocino county, a
general on-sale license will cost
\$6,000 and an off-sale license will

was out of the state, and conse-
quently, his opinion was not ob-
tained.

The governor has shown him-
self in this particular instance to
be a bigger man than an ordinary
politician, in that he has expres-
sed his willingness to go along with
the bill either way it was written,
and work primarily for the benefit
of the state, rather than promote
party political fortunes. He held
many conferences on the bill, and
made every effort to help work
out the difficulty.

However, the lobbyists prevailed,
there is no water department, and
solving the problems has been de-
layed for at least a year.

cost \$3,000.
Theory of the bill is that the
state of California should receive
the large sum for the license, in-
stead of private individuals who
may sell such licenses.
The money would be deposited
in the general fund, rather than

the alcoholic beverage fund. The
measure grew out of the transac-
tions in liquor licenses exposed
during recent investigations in
which it was found some licenses
sold for as high as \$25,000.

PATRONIZE ADVERTISERS

From where I sit ... by Joe Marsh

Handle With Care

Tractors are like horses—or
mules—in more ways than one.
They can be pretty tricky if you
don't handle them right.

Too many tractor accidents
happen because of carelessness.
The day grows hot and drowsy,
the job grows monotonous—and
bingo! Someone forgets to throt-
tle down when making a turn, or
something, and there's a bad spill.

Credit Slim Hartman's mis-
sion for the fact that there's never
been tractor trouble on their
place. Midway through every
morning and afternoon she
brings him snacks. "He'll stay on

the alert," she says, "if I get him
off the tractor for ten minutes."

From where I sit, carelessness
can cause plenty of harm in our
off-the-job personal lives, too. For
instance, suppose a neighbor pre-
fers a glass of beer with supper.
You might not share this particu-
lar preference with him—but if
you're careless about protecting
his right to choose, your own
freedom of choice is in danger of
being "plowed under."

FUTURE EVENTS PLANNED IN MEET OF BROCKWAY CLUB

KINGS BEACH—Visiting Rotarians from Tahoe City, West Sacramento and Walnut Creek were present at the regular weekly meeting of the Rotary Club of Brockway on Monday night, at Ta-

Neve-Ho on Crystal Bay. President Asa Abbott presided during the meeting except during the entertainment period, when Program Chairman Marion Dodd presented the Shell Oil film entitled "Birth of an Oil Field" which was obtained through the courtesy of the University of Nevada.

The big night of the year will be on June 27th at which time the officers of 1954-55 will be de-

NORTH TAHOE

By JUDGE HARRY CHARRISON

Open House

One of the biggest open house parties and in the biggest resort on the North Shore of Tahoe, was held at Ludlow's Lodge Tahoe Vista last Wednesday afternoon and right on to the wee hours of Thursday morning. It was a really brilliant affair, with no less than 200 guests attending. It started with cocktails and was followed by a smorgasbord. Larry and Mrs. Ludlow did themselves proud, their new home is just out of this world and ultra-modern in every respect, and by all accounts Larry has not finished building yet, as he is contemplating more cabins both on the north and south side of the highway. Congratulations, Larry and Peg, not forgetting young Dennis.

moted and the 1955-56 officers will be inducted into office, as usual this will be a ladies night. James Sherritt, past president of the Truckee club will act as master of ceremonies.

The new officers are: Bill Randall, president; H. E. "Pappy" Brooks, vice president; E. J. Stokes, secretary; L. S. "Larry" Streep, treasurer; and Asa Abbott, Ray Ehlers, and Fred Schultz, directors.

READ ALL THE ADS!

Visitors
Alfred Ewart and Mabel Potts, mother of Gerry, were up to visit at the Burroughs resort of the Potts, and their little grandson, Ewart. Isn't that a cute name. Their home is Sunnyvale.

Everything
Talking about the Burroughs, Thelma did it again, this time has a very bad sprain of her ankle. Just one thing after another, says Thelma. But Mac is as proud as a peacock, threw his crutches away a couple of weeks ago, now his stick is kindlingwood, and he feels like a new "hoss," as he puts it. Oh, yes, Thelma is in business, an Avon cosmetic representative and she really has everything, magazines, yes and a public stenographer in the bargain.

Visitors
Elmer and Virginia Solberg, sister and brother-in-law of Dave Ashton, were visitors from Henderson, Nev., over the past weekend. They came up especially for Joellyn's graduation. Elmer is a real silk salesman, so I think he mixed business, with pleasure, somewhat.

About Graduates
You will find articles about the grand graduation of the graduates of the Tahoe-Truckee high school, but I can't help but have a word or two to say about the inspiring sight last Friday night. It was just out of this world. These young people, a credit to any community, starting out in this troubled world to do their best to make a better place in which to live, to make of their lives what they will. It will be

mostly up to them whether it will be good or bad, but by the look of all of them, a clean cut class if ever there was one, we should have no fears as to their future. Barney Gilmore speaking for his class did a remarkable job. It was very cute to see Loma Sorensen, after the close, loaded down with well earned honors.

No Place Like Home
Mr. and Mrs. John Mason Dixon have arrived back at Crystal Bay after a wonderful winter season at Palm Springs. While they are glad to be back at their beautiful home high up on the mountainside, with the grandest view that its possible to see anywhere in the world, they have been so happy at their home down south. Welcome back, John and Ethel.

Visiting
Saw Al and Mrs. Sanford at the North Shore Club last weekend. They had just returned from Las Vegas. With the Miedemas we had a wonderful visit with Bucky Harris. He has certainly made a wonderful improvement in the dining room. Then visited Joby Lewis' new building, the Monte Carlo. It is going to be one of the smartest casinos on the lake. Just can't wait to see the finished product.

What Fun
Well, at the moment, Sunday afternoon, it is thundering, lightning, with hail and rain. Sunshine early this morning, with lots of golfers on the course, as we look out of the window now a half dozen of them are making a beeline for the clubhouse soaked to the skin, their clothes clinging to them like bathing suits. Not very nice for them, but what fun for us on the inside looking out—sporting of us, huh?

Bad Dream
This is just one of the many enjoyable things that happen in the lives of a judge and a cop. One morning last week at 3:40 a.m. to be exact, my phone rang and a voice said this is Mrs. So and So. She was crying and begging for help as something awful was happening. I jumped out of bed in a hurry, unusual for me. My wife says where are going, come back and put your pants on. By that time I had forgotten who called, so went back to bed. About 15 minutes later the phone rang again, the voice said, "When are you coming, hurry up." By that time I was wide enough awake to direct her to Dick Lavery, our renowned constable. Dick made a hurried trip. Anyway I went to sleep, but before awakening to a knock at the door. Sure enough it was the lady herself. She told me Dick had directed her back to me, to sign a complaint, but she was not sure she wanted to have arrested. She said it might be her husband and a few other guys

who had been disturbing her peace and breaking her car up. Would I call Sacramento to see if her husband was still at work? So she went home to find out, and found that he had never even been up here. So she called to apologize and ask my forgiveness as she had been having a bad dream and thought it was true nightmare.

New Garage
On about the twentieth of this month next Monday, Walt Bailey of the Tahoe Vista Garage will open his new station and garage at the corner of Deer and Highway 28 at Kings Beach. It is to be called Bailey's Automotive Service. According to Walt, everything in the automotive line will be there for the convenience of his customers. Look out for the grand opening advertisement in a couple of weeks.

Returned
Saw Bud English in Tahoe Vista last Sunday. He had just returned from Palm Springs where he has been for nearly three years. Says its time he came back and it looks like for good, too.

Weekenders
The Jack Bradens were up over the weekend, and informs me that they will be back in a couple of weeks for a longer stay.

Honored
Solveig R. Beavers attended the alumni convention at San Jose State College last week. Solveig being class of 45 president and also a member of the Black Mask Society of San Jose College graduates, was honored by members of that organization at a dinner at Palo Alto. Solveig's children also visited their grandparents, Chris and Nancy.

**McGLADE TELLS OF
NEED FOR BLOOD
BANK AT MEETING**

TAHOE CITY—The Tahoe City Rotary Club's regular weekly dinner-meeting was held at Tahoe Inn last Tuesday night with President Bill Connors presiding and 38 members and four guests present. Speaker of the evening was Jack McGlade, administrator of the Tahoe Forest Hospital.

The subject of the talk, after a general report on the hospital operations, was concerned with the

**BUILDER FINED IN
CONTRACT DISPUTE**

TAHOE CITY—Henry C. Graton of Kings Beach was fined \$200 when he appeared before Judge Harry Charrison charged by J. Layman Beall, an investigator for the state, with violating a section of the building code. Graton pleaded guilty to contracting without a contractor's license.

Judge Charrison warned that others who violate this code may expect even heavier penalties.

An estimated 530,000 anglers caught a record total of 22,300 trout in California waters in 1953.

**DONNER SUMMIT
LEGION POST IS
HONORED IN MEET**

SODA SPRINGS—Delegates of the Harold Eugene Jones Donner Summit Post, No. 811, at the 6th District American Legion meeting held at Florin, on Sunday, June 12, received the second place department of California American Legion membership trophy. The award was presented to Charles (Chuck) Reynolds and Bill Rutherford by first area department Commander Anderson Cordill. Commander Cordill commended the mountain post for attaining 252 per cent of their quota of members.

Another highlight for the Donner Summit Post was the election of Chuck Reynolds to third vice commander of the sixth district.

Other officers elected to the district were Dewey Baker, commander; Home Cook, first vice commander and Ernie Fiene, second vice commander.

**FISHERMAN FINED
IN TAHOE COURT**

TAHOE CITY—Ford Gilman, a logger from Verdi, Nev., was fined \$100 when he appeared before Judge Harry Charrison on a charge of fishing in a closed stream (Blackwood Creek) near Lake Tahoe.

Gilman's arrest involved a bit of human interest. It seems that Game Warden Erv Single approached two men fishing on Blackwood and as he neared, they ran. One of the pair dropped his hat and in it the warden found a Nevada license complete with name and address.

Armed with a warrant, Single awaited his opportunity and with Deputy Sheriff Roy Waters of Truckee later found Gilman near Hirschdale, took him into custody and before Judge Charrison.

The second man was not identified.

**RENO GARDNERS TO
EXHIBIT FLOWERS**

RENO — Mrs. J. Benjamin Parker, chairman of the 1955 Reno Flower Show, has extended an invitation to flower lovers of this area to attend the annual affair to be held Saturday, June 18 at the California Building in Idlewild Park.

The theme this year is Roses in June and the theme flower will be the rose. There will be a number of classes for all types of exhibits and arrangements from novice to advanced and the show is open to all exhibitors.

Judging will be on Friday evening beginning at 7 o'clock, but only the judges will be permitted in the building during the judging.

part that whole blood is playing these days in hundreds of quick recoveries, as well as in saving many lives. McGlade told of how, not so long ago, whole blood had to be brought to this hospital from Sacramento by highway patrol relays, and finally from the Washoe Medical Center in Reno.

He said that now, thanks to the new refrigeration recently donated to the hospital by the Truckee Rotary Club, he is able to have a small supply on hand constantly for emergency cases. He said that though the recent blood donor drive in Truckee had proved disappointing, it seemed certain now that the next blood collections at Truckee and North Tahoe would bring in the needed 100 pints.

Accompanying McGlade was A. Val Dogi who is in charge of the blood bank at the Washoe Medical Center in Reno. Val Dogi spoke on the work connected with securing and caring for the blood taken at the center. He described how blood taken for the bank is thoroughly tested before being given to a patient.

At the close of the meeting President Connors appointed member James Martin of this club as a committee of one to choose members or other volunteers for blood donations.

**DOCTORS MEET IN
CONCLAVE AT LAKE**

KINGS BEACH—An influx of entries for the 5th annual Lake Tahoe Golf Invitational, June 24-26, indicates a stellar field will compete in all flights, according to word from Tournament Chairman Ralph Wolf.

The 54-hole amateur event, played to handicap, will be contested on the Brockway and Tahoe City Country Club courses. More than 200 cups will be awarded in the four handicap flights.

Famous names are being attracted to the special celebrity guest flight. Former World's Heavyweight Champ Joe Louis has filed an entry. So has Bob Hope, back from an Australian tour. Other entertainment stars expected are Forrest Tucker, Johnny Weissmuller, Dennis O'Keefe, Gordon MacRae and Vic Ramone.

**GOLF TOURNEY AT
LAKE TAHOE TO
ATTRACT STARS**

CRYSTAL BAY—Physicians from 20 northern California counties began gathering at Crystal Bay, Lake Tahoe, Wednesday, for the fifth annual Sacramento Valley Counties Medical and Surgical Institute. The scientific refresher course, running through Friday, will be held in Cal-Neva Lodge and Biltmore Hotel. The program was arranged by the teaching staff of the School of Medicine, University of California, Los Angeles. Conference host is the Sacramento Society for Medical Improvement, of which Dr. Jack V. Chambers is president.

Counties represented, besides Sacramento, are Amador, Butte, Colusa, Calaveras, El Dorado, Glenn, Lassen, Nevada, Placer, Plumas, San Joaquin, Shasta, Siskiyou, Sutter, Tehama, Trinity, Yolo, and Yuba.

More than 200 physicians are expected for the conference, sponsored by California Medical Association's Committee on Postgraduate Activities.

Tahoe Items

Tahoe City is welcoming residents of a number of years returning from other places this week, including Mr. and Mrs. Sam Goss from Livermore, Mrs. Georgia Lambert and the A. J. Rodrigues family, both from Auburn. The R. P. Leonadins have had an address change to Reno.

The summer population has also swelled in the other districts around Lake Tahoe as Jody Maher and her daughter arrive from Palm Springs to Meeks Bay, R. R. Walker from San Francisco to Tahoe Pines, the Frank L. James from Inglewood to Tahoe Vista and Mr. and Mrs. Jack Smith opening their resort at Tahoma after wintering at San Francisco.

One of San Francisco's outstanding tourist attractions is world-famous Fisherman's Wharf.

**Governor Signs Bill
Adding New Liquor Tax**

SACRAMENTO (CNS) — Gov. Goodwin J. Knight announced he has signed the assembly bill by Glenn E. Coolidge, of Santa Cruz, increasing excise tax on liquor from 80 cents to \$1.50 a gallon. The increase is expected to yield \$11,700,000 in general fund revenue during fiscal 1955-56 and \$14,000,000 a year thereafter.

The governor also announced signing of a measure authorizing financing of a San Pedro-Terminal Island tube by bond issue. Under the new law, the California Toll Bridge Authority can lease the tube to the Los Angeles board of harbor commissioners at an annual rental sufficient to pay bonds and interest.

Bill To Permit Sales Tax By Counties Is Awaiting Signature

SACRAMENTO —(CNS)— The legislature on the final day of the session approved and sent to the governor a bill to permit counties to levy a one-cent sales tax.

Final passage came in the assembly, which voted 45-26 to concur in the senate amendments.

Clark L. Bradley, San Jose, the author of the bill, urged adoption of amendments made in the bill in the upper house, and adoption of the measure.

Bradley told members of the lower house the bill was necessary to establish sales tax uniformity in suburban areas near which the cities are levying taxes of their own. He said it was permissive, not mandatory.

William A. Munnell, Montebello, opposed the measure. Munnell called the bill "just another tax increase bill," and argued that it would not bring uniformity near county lines unless all counties imposed such a tax.

The one cent sales tax would be collected by the state along with the state sales tax and subvented to areas of collection.

When Gifford Pinchot was named chief forester, July 1, 1898, only 10 persons were employed in the division of forestry of the department of agriculture.

The wide thoroughfare paralleling the San Francisco waterfront from Fisherman's Wharf to China Basin is called the Embarcadero.

Morrison Plantatarium in San Francisco's Golden Gate Park is housed under an aluminum dome 65 feet in diameter.

FOOD IN BAR BILL AWAITS WISHES VOTERS IN 1956

SACRAMENTO — (CNS)—The assembly has joined with the senate in placing a proposed constitutional amendment on the 1956 general election ballot which would abolish the requirement that food be served in bars.

The lower house voted 64-2 in favor of the measure, SCA 2 by Senator Earl Desmond of Sacramento.

At the same time, the assembly approved a bill, which would become operative only if the amendment is approved by the people, establishing administrative procedure for carrying out the new set-up.

Gordon A. Fleury, Sacramento, who presented the Desmond bill in the lower house, said two types of liquor licenses would be established if the proposition gets approval.

One license would be issued to bona fide restaurants and cafes, much the same as now.

The other license would be issued to bars which would not have to sell food, although food such as sandwiches could be served incidentally.

But such bars could not permit anyone under 21 year of age on the premises.

EMPLOYED HERE

George Pace, son of Mr. and Mrs. George Pace of Santa Clara and former well known local residents, is now employed as a "Red Cap" at the Truckee Southern Pacific depot during his summer vacation. He is staying at the home of Mr. and Mrs. Earl Stice.

J. T. WHITE, JR. TO BE LAW GRADUATE

TAHOMA—Mr. and Mrs. Joseph T. White of Tahoma will attend the graduation ceremony of their son, Joseph T. White, Jr., from the University of California law school which will be held June 17.

Young White is well known in this vicinity, having attended school at Lake Tahoe prior to deciding on his future profession and has studied in the university for eight years. He plans to take the bar examination this fall. His wife and small daughter are also expected to attend the presentation of the diploma.

The white or Dungeness crab is fished commercially from Monterey north.

Biggest thing in Low-Priced cars

\$2627.00 *

Delivered locally!

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster—\$81.70; Radio & Antenna—\$72.50.

THIS is a Buick—a 2-door, 6-passenger SPECIAL Sedan.

It packs a wallowing 188-hp V8 engine under the hood—is carried on a strapping 122-inch wheelbase—rides with the luxury cushioning of all-coil springing, the solid steadiness of a full-length torque-tube drive, the extra safety and silence of tubeless tires.

It's big and brawny and road-steady and roomy—each seat cushion measures over five feet in width.

Yet this beauty—as the price we show here proves—delivers locally for just about the price of the well-known smaller cars—even below some models of those same cars.

Buick Sales Are Soaring To New Best-Seller Highs

That, for sure, is one reason why Buick sales go higher and higher and higher. More and more people are finding that you can buy a

Buick for the price of a smaller car, so more and more people are getting this bigger buy for their money.

They want the bigger package of sheer automobile for the money that they get in Buick—bigger in power thrill, in roomy comfort, in riding steadiness, in structural solidity.

They want the added prestige and pleasure of owning Buick styling and size—and the added safety and sureness of Buick roadability and handling ease.

They want, too, the spectacular performance and better gas mileage of Variable Pitch Dynaflo™—yours at modest extra cost.

And they certainly want the choice Buick offers of a car in every price range, with each one the buy in its field—the low-price SPECIAL, the supremely-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

Why don't you come in for a visit and see how much real automobile your money can buy here?

†Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

By ETHEL JOSLIN VERNON Thunder Storms

Just about every two or three days the "weather man" predicts thunder showers for this locality, and since he started predicting them he hasn't missed his guess once. Most of the time they are just a mere sprinkle in separated parts of the region, with a lot of thunder and lightning. However, on one occasion in the middle of last week Tahoe City and vicinity was treated to a real rain storm which cooled things off in general, and made the weather considerably more comfortable here—that is it feels more comfortable to us natives who are not used to high temperatures.

Hits Power Line

During the electrical storm that hit this vicinity on Sunday afternoon, the lightning struck the power line where it runs along the mountainside behind the veterinary hospital in the Truckee Canyon. The power all over this locality was disrupted for about a half hour, and fuses were blown out on electrical appliances in several business places about town. In the Tahoe City bakery the refrigeration system, which had been left running on low voltage, was put out of operation for a short time. Owing to the quick response of the local fire department, the fire started on the slope was extinguished before it could spread up the mountain and caused a forest fire. The mountain at this location is thickly timbered.

At Graduation

On last Friday evening a large part of Tahoe City's population motored to the Tahoe-Truckee high school on Highway 40 to attend the graduation program of the class of 1955. The large gymnasium was filled to capacity with the proud parents, relatives and friends of the 29 graduates from the five consolidated schools. A large percentage of the graduating class were Lake Tahoe residents, all graduating with high honors.

and it gave us older residents of the region a feeling of home-town pride and satisfaction as we watched each fine young Tahoe citizen step out and receive their certificates of honor and a completed educational course. There was Lewis Fellows, our Lake Tahoe Ski Club's ace skier, son of Mr. and Mrs. Ray Fellows of Carnelian Bay. And there was Bobbie Sach whom we have seen grow up to a fine young man, and at least a dozen other well known Tahoe graduates. Some of the young residents from Tahoe City and the North Tahoe district included the following: Carol Levy, Jay Stuart, Dick Mandeville, Barney Gilmore, Joellyn Ashton, Diana Abbott and Loma Sorensen. Miss Sorensen, daughter of Mr. and Mrs. Andrew Sorensen of Tahoe Vista, was among the few graduates who carried away the top awards. She rated "tops" in liberal arts, and won the handsome Bank of America cup award. Other Tahoe students who won special awards were Barney Gilmore, Jay Stuart, and Diana Abbott. The solo of the evening, "Somewhere a Voice Is Calling," was beautifully sung by Janice Buehler, accompanied at the piano by Charles Cushman. A special guest introduced during the evening was Mrs. William W. Gilmore who was the former Elizabeth McGlashan, daughter of the author of the famous Donner Party, and sister of the late Mrs. Bliss (McGlashan) Hinkle, who pioneered in the teaching of early schools at Tahoe and spent twenty-some years of her life as an all-year resident here.

Is Improved

On a trip to the valley regions last week were Mrs. G. W. Mortimer of Tahoe Park and her neighbor, Mrs. Merle Rose. The two ladies visited on the way in the valley town of Sutter, and dropped in to see Mrs. Jeanette Mitchell in her new home there. Mrs. Mitchell, who recently moved to the lower altitude on doctors' advice for the betterment of her health, told her friends that she had been confined to her bed there for several weeks after her arrival. However, at the present time she is again able to be up and about, and enjoying normally good health once more. We are sure that her friends at Tahoe will be glad to hear of this improvement.

Fete Friends

Mr. and Mrs. F. E. Cunningham of Lakewood Lodge once more played generous hosts to their many friends and neighbors with their annual open house dinner served in the homey lodge dining room on Monday and Tuesday evenings.

Grants Return

Mr. and Mrs. William Grant who spend their winters in the bay area, have opened the Ash and Griffith home on the Tahoe City lakeshore here during the past week, and expect to be here about two weeks before returning to the city for Grant's foster parent, Alice Griffith, who will then come home to Tahoe for the summer season. Miss Griffith suffered a broken leg in the bay region several weeks ago and has spent considerable time in the hospital since then. Her health is practically back to normal now, and she is becoming homesick for Tahoe, which she chose as her home more than 40 years ago.

Back After 20 Years

C. F. Peterson, whose present home is in Los Angeles, answered the "call of God's country" last week for the first time in about 20 years, and wandered back to Tahoe again. In 1929 Peterson was manager of Cal-Neva Lodge before that first beautiful lakeshore building burned down. Then in the summer of 1932 he managed the newly built Cal-Neva resort, and still later was associated with some of the new night clubs being constructed

WOMEN'S CLUB AT TAHOE FETES NEW OFFICERS AT MEET

TAHOE CITY—The Women's Club of Tahoe held their annual spring luncheon and fashion show at the Tahoe Inn on the afternoon of Thursday, June 2. Attendance at luncheon was 76 members and guests, including members of the Wyethia Club of Truckee and the Women's Club of North Tahoe.

Following the luncheon the meeting opened with the pledge of allegiance to the flag and the singing of the national anthem. Next came the candle service, held in memory of deceased members, in which ceremony Mrs. Irene Le Pire snuffed out the candles in unison with the reading of the names of the deceased by Mrs. Stella Watson.

The retiring president, Mrs. Alma Guth, introduced the other retiring officers in the following order: Vice president, Irene Le Pire; treasurer, Ann Dugdale; corresponding secretary, Edna Obexer, and Betty Ball who replaced Florence B. Vernon as recording secretary recently. The incoming officers, also introduced by Mrs. Guth were: Recording secretary, Bernice Gianinni; corresponding secretary, Louise Geier; treasurer, Sarah Hunter and vice president, Martha Snyder, after which she turned the gavel over to the new president, Doris Clarke.

Fashion Show

After the guests and members stood for the reading of the club collects which was led by Louise Geier, President Clarke introduced Martha Snyder as chairman of the fashion show committee, and Mrs. Snyder in turn put the show in the hands of Mr. Warren Porter of Porter's apparel shop. The children's fashions were modeled by the following children: Jackie Obexer, Sandra Snyder, Kim Marvin and Barbara Broyles. For accompaniment the piano was played by Mrs. D. Rich, who later in the program sang a solo. A second soloist on the program was Carolyn Henry, 11-year-old daughter of Dr. and Mrs. William Henry of this city.

Adult models included Mesdames June Grimstead, Barbara Spitsen, Marty Reick, Carol Marvin, Margie Broyles, Wilma Korich, Edna Obexer, Betty Ball and Elaine Wright.

Luncheon was served in the Tahoe Inn dining room on tables decorated with pink and white flowers, and an extra large bouquet was arranged for the officers' table. Gifts were presented to each of the club's retiring official staff, and corsages to the incoming officers.

at that time about the South End. Mr. Peterson said his trip at this time brings back a flood of pleasant Tahoe memories, and gives him quite a hankering to be a Tahoeite once again.

Whites Return

The Andrew Whites who winter in Sacramento were in Tahoe City for a few days last week to do a little renovating at their home here, and prepare the grounds for connection of the new sewage system. Mrs. White said they would return again in about two or three weeks and perhaps at that time would be able to stay longer.

Back From Trip

Mr. and Mrs. Carl Becholdt, Sr., returned home to Tahoe City last week from about a month's tour of the valley and coastal regions. The Becholdts enjoyed visits with relatives and friends, and had nice weather all the way. However, since her return home Mrs. Becholdt has been slightly under the weather, and her friends are all pulling for a swift and complete reversal to high spirits and health once more.

ated with pink and white flowers, and an extra large bouquet was arranged for the officers' table. Gifts were presented to each of the club's retiring official staff, and corsages to the incoming officers.

Food Sale

The Women's Club food sale, under chairmanship of Bernice Gianinni, will be held on Saturday, June 25 at the Community Center between 10 a.m. and 4 p.m. All residents are urged to participate.

The Women's Club annual membership dues of \$5 were payable from June 1 and should be paid to Vice President Martha Snyder.

ARE YOU A SUNSCRIBER?

The Standard Man helped me cut my painting expense!

STANDARD

You can save money by using low-cost Standard Shingle Stain on all barns, sheds and fences . . . no extra mixing because it comes ready to apply in red, green or brown. And it does a long-lasting job . . . penetrates deeply, seals wood, checks cracking and warping.

Ask us to help solve your roof coating problems. We can tell you what type of coating to use . . . how to apply Standard Shingle Stain with brush or sprayer, how to dip new shingles. Unlike heavier paints, it will not form water-retarding ridges on shingle butts. It's economical—a gallon covers 90 to 120 square feet.

No Resident Requirement For Veteran Preference

There is no residence requirement for veterans' civil service job preference in California, said John T. Trauner, Nevada county

veterans service officer, today. This benefit is not limited, as some others are, to those we call California veterans, but is available to all ex-servicemen and women not dishonorably discharged, who have had at least 30 days' active duty. Trauner noted, however, that in

Bad Checks For Auto Registrations Costly, Department Reports

California motorists this year have given the department of motor vehicles \$233,736 worth of bad checks in payment of their 1955 registration and license fees.

This was revealed by Motor Vehicles Director Paul Mason, who said the department, through threat of seizure, has succeeded in collecting \$183,655 of the amount.

"The number of vehicle owners issuing worthless checks for their 1955 renewals up to the last week in May was 3490," Mason declared.

"The majority of these made good as soon as they were notified that the checks had been returned. But the department is still holding 715 checks for a total of \$50,080."

Seize Vehicles
Since January 1, the department has issued orders to seize 885 vehicles whose owners failed to respond when first notified that their checks had been returned.

"When an owner pays his fees by check, and the check is returned, the owner is deemed to be delinquent and seizure of his vehicle is mandatory under Section 379 of the Vehicle Code," Mason said.

Of the 885 seizure orders issued, only a scant few have had to be finally executed, Mason declared.

In 1954, the department received 7,077 bad checks in the sum of \$338,374. Of this number, 5,585 checks, totaling \$258,262, finally cleared. That left a balance of 1,492 checks outstanding, for a net loss to the taxpayers of \$80,112.

SENATE VOTES TO RETAIN CAPITAL PUNISHMENT LAW

SACRAMENTO (CNS)—The senate voted 24 to 11 against abolishing California's mandatory death penalty law in favor of death sentences imposed by juries.

The vote came on AB 2089 McMillan, which would have required that juries specify whether or not the death penalty should be prescribed in murder cases.

Senator Hugh M. Burns, of Fresno, led off the opposition to the measure.

"Our troubles do not come from capital punishment but from the lack of it," Burns declared.

Donald A. Grunsky, of Watsonville, asked for defeat of the proposal, asserting that the bill "completely reverses" the law on capital punishment in this state.

Richard Richards, of Los Angeles, defended the measure. He charged that juries under present law set the death penalty by inaction. He declared "this would make juries conscious of their action."

James E. Busch, Ukiah, joined opponents of the bill, declaring that jurors would not want to be placed in the position of being "executioners."

James E. Cunningham, San Bernardino, who took up the bill in the senate, closed his arguments on behalf of the bill by quoting Associate Justice Shower of the state supreme court as saying the bill would "eliminate a sort of Russian roulette chance" of fixing the death penalty under present law by eliminating confusion of jurors in regard to recommending leniency.

Investigated by the California Highway Patrol during 1954, according to a statement released from patrol headquarters today by Commissioner B. R. Caldwell.

"The key to all right-of-way disputes is the word 'yield,'" Caldwell pointed out in commenting on the high percentage of collisions caused

Keep California Green Committee Meets To Outline Years Plans

At a recent meeting held in the National Hotel in Nevada City, the Nevada County Committee for Keep California Green, a statewide organization with headquarters at Sacramento, was formed.

This committee, which will meet again Tuesday in Nevada City, has been set up to work on a local basis to help prevent man-caused wild fires and make the public conscious of wild fires and the tremendous damage they do. It is one of 20 such committees set up in California counties.

Willard Rose, manager of the Nevada City Branch of Bank of America, was named chairman, and John J. Hodge of Grass Valley as secretary.

Committee chairmen include: Sam Partridge, youth chairman; Don Matson, lumber; Frank Soderliski, advisory committee to the U. S. Forest Service; Capt. Joseph Blake, ideas; Malcolm Hamill

ed by failure to surrender right-of-way.

"The law always indicates which motorist must yield the right-of-way, allowing a driver to proceed ahead of another only after the other driver has yielded."

"Many drivers, either deliberately or because they are misinformed, assume that the right-of-way is granted to them legally and seem willing to defend it to the death if necessary. Sadly, death often occurs in these cases," the Commissioner said.

Caldwell explained that right-of-way violations present serious problems for enforcement officers and the best approach is for motorists to yield voluntarily whenever the possibility of conflict arises.

"Our officers have been instructed to remain especially alert for right-of-way violations in order to reduce the large number of right-of-way accidents," he cautioned.

cattlemen; Don Knowlton, state forestry representative; Leon Sanford, education; Paul Shively, liaison between Nevada City and Grass Valley and Truckee; Miss Roberta Jackson, publicity; Carl Noren, sportsmen, and George Hutchins, merchants.

Other members of the Nevada County Committee include Earl K. Stice, Truckee; Henry Loehr, Truckee; H. J. Ray, Nevada City; Curtis Clark, Nevada City; Larry Farrell, Grass Valley; Del Schiffner, Nevada City; L. A. Rickett, Jr., Nevada City; C. K. Heffron, Grass Valley; John J. Hodge, Grass Valley; Melvin John, Nevada City; Phil Crenshaw, Grass Valley; and B. W. Renfree, Grass Valley.

The last of San Francisco's fire horses was retired in 1921.

Adolph Sutro helped the first San Francisco Arbor Day in 1886 by donating thousands of trees and encouraging school children to plant them in public places.

San Francisco's Golden Gate Park is more than three and one-half miles long and a half-mile wide.

Give, Don't Grab, Right Of Way, State Patrol Commissioner Urges

SACRAMENTO — Give, don't grab, the right-of-way. Right-of-way grabbers caused one of every seven traffic accidents

some instances the job itself may have residence requirements. In any event, veterans and widows of veterans are granted 10 points on open examinations and three points on promotional exams, provided they make passing scores. Disabled veterans receive 15 points on open examinations, and three on promotional tests.

To assure the greatest chance of being hired, Trauner urged veterans to establish their preference rights not later than the time of examination—or even earlier. Late filers give themselves a handicap.

"As a matter of fact, he added, "once the preference right is established in Sacramento, it is permanently on file for all later exams, except for ex-GIs whose disabilities are likely not to be constant."

Nearly 100,000 civil service preference applications are permanently recorded with the Department of Veterans Affairs in Sacramento, and scores of ex-GIs are qualifying every week for state, county and city jobs of all descriptions.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent of Schools, Truckee, California, on or before, and no later than Friday, June 24, 1955, at 5:00 p.m. for the contract or contracts to supply furnace oil to the schools of the Tahoe-Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered. By order of the Governing Board of the Tahoe-Truckee Unified School District.

CARD OF THANKS

I am sincerely grateful for the many kindnesses shown me by the staff at the Tahoe Forest Hospital and other friends, during my recent illness.

Mrs. Rose Cardinal.

New Low Auto Rates Announced By Company

New low auto insurance rates started June 13 for most policyholders of one leading auto insurance company, California motorists insured by State Farm Mutual Automobile Insurance Company will save over \$1,350,000 yearly, compared with their previous rates, according to F. W. Wilson, local agent for the company.

Biggest savings will go to pleasure cars with no male operator under age 25 and to older model cars, Wilson stated. Rates for liability coverage will now be figured under a new four-group plan, based on age of male drivers and pleasure or business use of car.

A new "Step Down Plan" for comprehensive and collision insurance drops rates twice for these insurance coverages, once when the car is two model years old and again when it is four model years old. Thus, the "Step Down Plan" cuts rates immediately for 1952 and 1953 models, and even more substantially for 1951 and older cars. In some areas \$50 and \$100 deductible collision rates are reduced, while comprehensive rates are shifted slightly both up and down on 1954 and 1955 cars.

Currently, more than 390,000 California motorists are insured with State Farm Mutual, Wilson stated. Nationwide, State Farm Mutual has led all other companies for 13 years in number of cars insured.

Sometime last spring, the Richfield Oil Company promised your chamber some of their famous wild flower seeds. Your president must admit that he had all but forgotten this fine gesture of goodwill, but Richfield didn't and Earl Stice didn't, and they came through this past weekend with a wonderful assortment of flowers that will grow in this area. With our fine Boy Scout troop doing the work we planted them in the Truckee-Tahoe Wye this past weekend, and as luck would have it mother nature provided us with a shower for their first watering. Since there is no ready supply of water at the Wye, Chief Dolley and our fire department have volunteered to see that they are watered often enough to give them a start. Thanks everyone for a job well done.

The tickets for the Donner Lake boat races to be held on July 10th have been distributed, and I sincerely hope that everyone backs the races this year by buying a ticket. Also you have a chance to win some wonderful prizes. To you people on the summit, Kenny Heinbockel, at Rainbow Tavern has tickets to sell.

Did anyone notice how we lost our museum at Donner Memorial Park? On the last evening of the just past session of the legislature, Senator Johnson's bill for money to build the museum, was amended so often that the end result was, his original appropriation was left out entirely. And to make matters even worse the good senator even voted for the amended version. By the way, the amended version of the bill calls for an appropriation of some 15 millions for various parks and beaches throughout the state—a far cry from the \$125,000 that the senator asked for, for our museum. After reading all of the bills passed by this session of the legislature, I have come to the conclusion that our section of the state got absolutely nothing out of it.

—HAL WELCH

Rail Official Here—

QUALITY SERVICE

THE PRESCRIPTION PHARMACY

It is a Part
of Being
Expert...

The mind and the touch can be dulled from lack of practice in our profession too. But not so with the pharmacists working here in your behalf, for they compound thousands of prescriptions annually.

The quiet preference of your Doctor, plus your continued patronage have made this an active prescription pharmacy. Pharmacists here are alert, busy, and expert, having the advantage of continuous prescription experience, and finest drug products, such as those of Parke, Davis & Company, with which to practice their profession.

Tarzan

by EDGAR RICE BURROUGHS

TARZAN HAS JUST LEARNED FROM SIR ROGER THAT THE MYSTERIOUS RED KNIGHT IS A TRAITOR TO ALBERT, KING OF THE VALLEY.

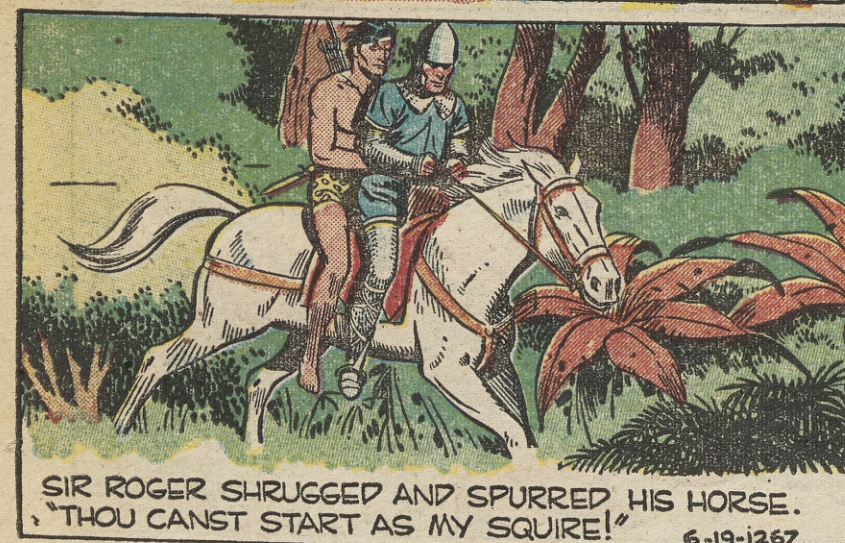

QUICKLY NOW, THE APE-MAN LEAPED UP BEHIND THE KNIGHT. "I WILL FIGHT WITH YOU-- YOUR ENEMY IS ALSO MY ENEMY."

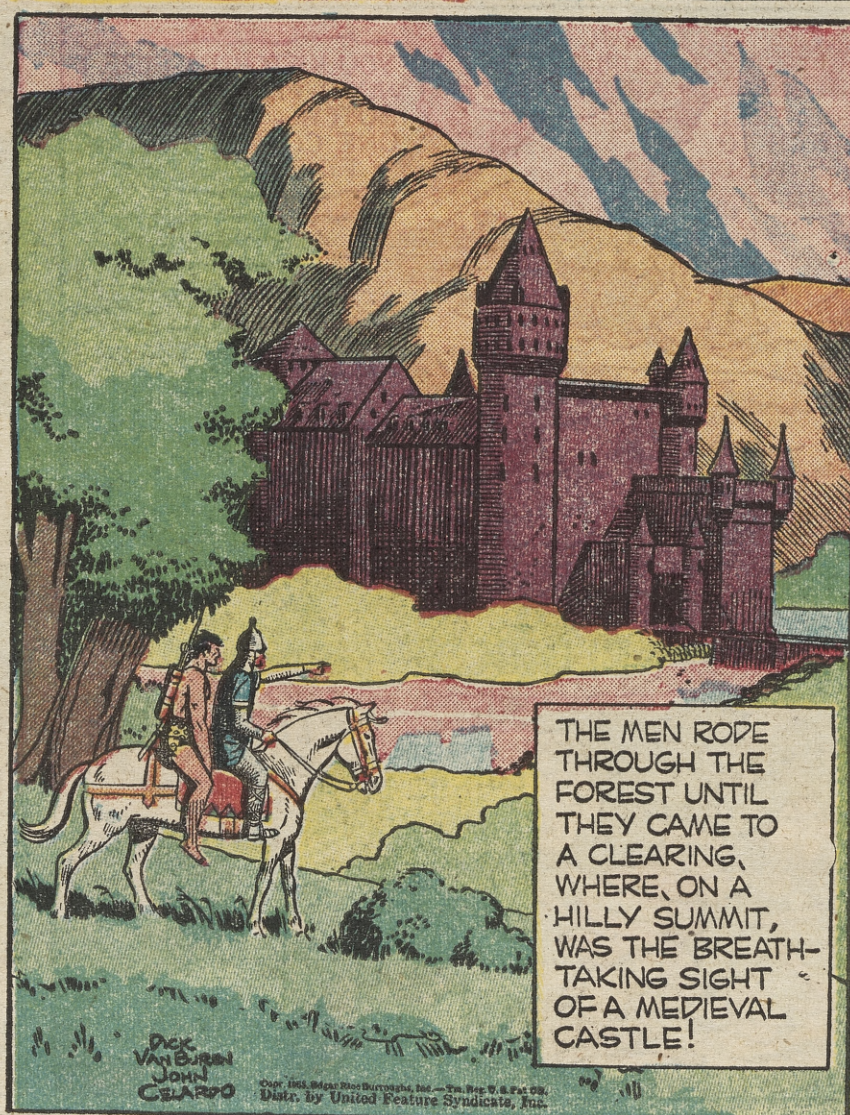

"OH, SO?" QUESTIONED SIR ROGER. "TIS SURELY A NOBLE GESTURE, BUT THE RED KNIGHT IS STRONG, POWERFUL AND SKILLED IN COMBAT--"

"--AND MY FRIEND, YE ARE ONLY A FOREST DENIZEN," TARZAN ANSWERED GRIMLY. "IF NECESSARY THEN I SHOULD LIKE TO BECOME A KNIGHT!"

SIR ROGER SHRUGGED AND SPURRED HIS HORSE. "THOU CANST START AS MY SQUIRE!" 6-19-1267

THE MEN ROPE THROUGH THE FOREST UNTIL THEY CAME TO A CLEARING, WHERE, ON A HILLY SUMMIT, WAS THE BREATHTAKING SIGHT OF A MEDIEVAL CASTLE!

ELSIE HIX

FOUR 2,000-YEAR-OLD BIBLICAL SCROLLS, DISCOVERED BY SHEPHERDS IN A CAVE NEAR THE DEAD SEA IN 1947, INCLUDE THE EARLIEST KNOWN MANUSCRIPT OF THE BOOK OF ISAIAH AND THE ONLY KNOWN COPY OF AN ANCIENT APOCRYPHAL WORK, "THE BOOK OF LEMACH!"

DENISE LOR--
popular recording star
OWES HER SUCCESS TO A SORE THROAT!

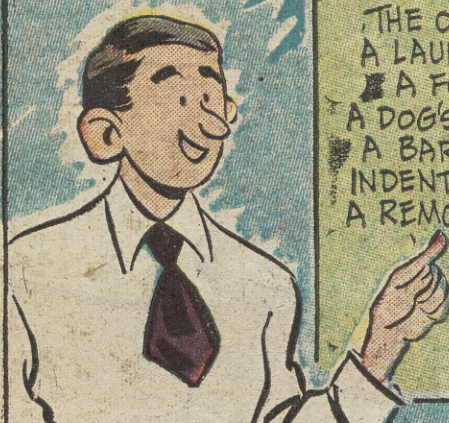

SHE WAS FORMERLY AN OPERETTA SINGER BUT DEVELOPED A COLD WHILE SINGING IN AN ICE SHOW... SHE LOWERED HER VOICE AN OCTAVE TO MAKE SINGING EASIER-- THEN DISCOVERED THE LOWER RANGE PROVED MORE COMMERCIAL...

INSEPARABLE PALS ON MRS. M.S. DAILY'S FARM, Anselmo, Nebr., A WHITE MOTHER RABBIT AND A WHITE BANTAM ROOSTER...

WHAT 3-LETTER WORD IS:
THE COLOR OF A HORSE,
A LAUREL, A SEA INLET,
A FORM OF WINDOW,
A DOG'S BARK, PART OF SHIP,
A BARN COMPARTMENT,
INDENTATION OF A PLAIN,
A REMOVED BODY OF WATER,
A PEAT-BEARING LAND,
AND A BERRY?

ANSWER: BAY

ONE MEDIUM-SIZE POTATO HAS ABOUT 100 CALORIES-- NO MORE THAN AN APPLE... THERE ARE 17 VITAMINS AND MINERALS IN A FRESHLY-HARVESTED POTATO!

THE MARMOSET--
IS THE ONLY NEW WORLD MONKEY THAT HAS 32 TEETH, ALL OTHER NEW WORLD MONKEYS HAVE 36... ALL OLD WORLD MONKEYS HAVE 32 TEETH!

DIXIELAND-- WAS ONCE ON MANHATTAN ISLAND!

OWNED BY A SLAVE-HOLDER NAMED DIXIE, A LARGE PLANTATION ON MANHATTAN ISLAND WAS KNOWN AS "DIXIE'S LAND" AND CAME TO BE KNOWN AS A "HEAVEN"... ANTI-SLAVERY FEELING FORCED REMOVAL OF THE SLAVES TO THE SOUTH WHERE THE WELL-TREATED SLAVES PINED FOR THEIR NORTHERN "DIXIELAND PARADISE"

CURLY KAYOE

by SAM LEFF-

CIRCUS FOLKS SURE TAKE THEIR WORK VERY SERIOUSLY, BUTTONS.

THEIR WORK ARE MOST DANGEROUS, CURLY.

WOW! LOOK AT THEM! IT'S A MIRACLE THAT PERFORMERS AREN'T INJURED MORE OFTEN.

THAT ARE BECAUSE THEY PRACTICE CONSTANTLY, BUDDY-PAL!

HELP!

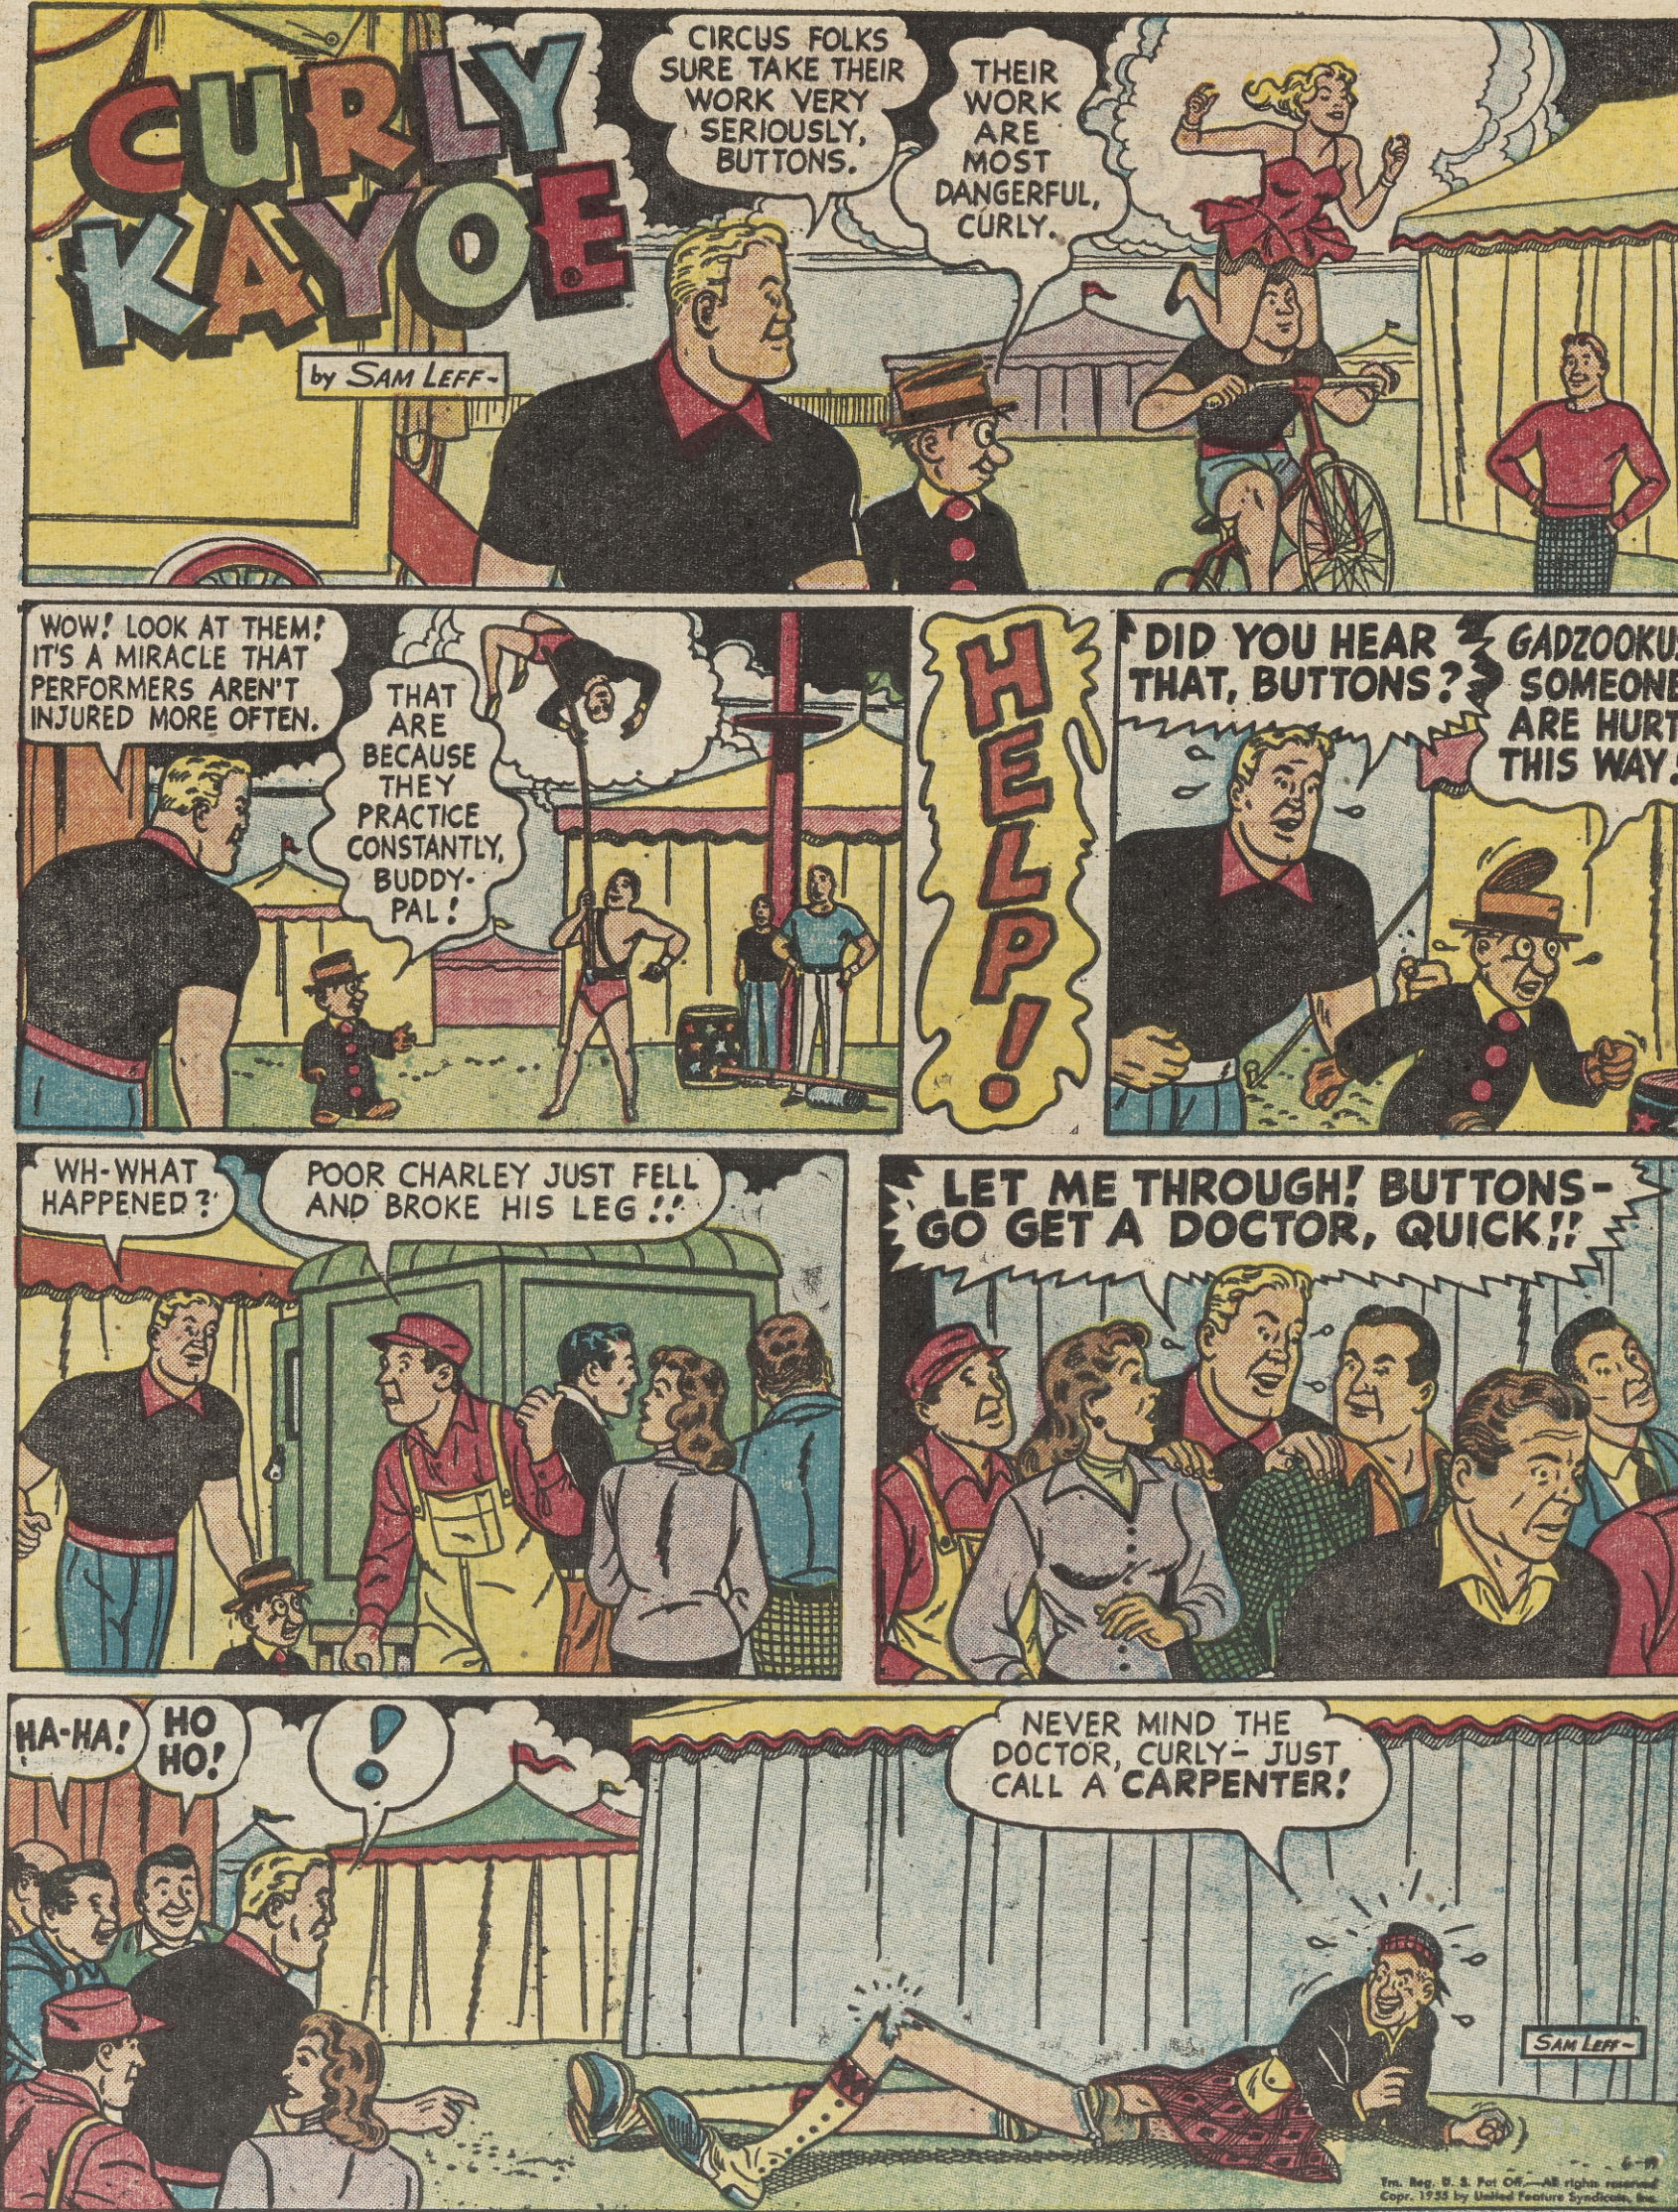

DID YOU HEAR THAT, BUTTONS? GADZOOKUS! SOMEONE ARE HURT! THIS WAY!

WH-WHAT HAPPENED? POOR CHARLEY JUST FELL AND BROKE HIS LEG!!

LET ME THROUGH! BUTTONS-- GO GET A DOCTOR, QUICK!!

HA-HA! HO HO!

NEVER MIND THE DOCTOR, CURLY-- JUST CALL A CARPENTER!
